# RUSSELL LIVESTOCK

## Market Report April 26, 2018

*Where we market your cattle, not just sell them.*
*The difference equals an auctioneer and competitive bidding!*

We had an attractive market as most cattle sold steady to even higher than the past couple of weeks. Weigh cows were steady to a little better, weigh bulls were definitely higher. The little shot of rain helped some optimism, as bawling calves and weaned calves both seemed in good demand. Several producers are talking about grazing their wheat off. To me it looks like a great idea, just remember you will probably benefit the most from, if you choose to graze it, is a critter that you plan to market back by the pound. The old cowboys in Oklahoma have always said, "Wheat equals pounds, pounds equal dollars." You be the judge!
