**Where we market your cattle, not just sell them.
The difference equals an auctioneer and competitive bidding!**

Market Report for January 28th, 2021

We marketed right at 1,200 cattle with a good market throughout. We had 14 represented order buyers competing for our feeder cattle, and many went home with empty trucks. Keep this in mind if you are selling in the country, some may not be offering you what they may bring at the auction. Cow and bull market is very good as not many are moving. Our light calf trade was very limited, but with this moisture give it a few weeks and everyone will be wanting them. Baby calves in good demand at \$300-450 per head. Crecia and I would like to send our prayers to the Micki Sweeney family.
